World's leading
schools use SOCS

Our Clients

Over 800 schools in 20 countries use SOCS.
Discover why...

Visit www.misocs.com/clients for more information and case studies.

SOCS Overview

SOCS Sport

Everything for sport with a dedicated sports website, sports calendar and optional modules such as Team Sheet Builder, Security module, Team Training Planner, SOCS mobile, Competition Microsites and Big Screen.

Easy and quick start-up, no waiting, your school can be switched on and you can use the SOCS content management system (CMS) today.

[Slides 03 - 14](#)

SOCS Co-curricular

Manage all your co-curricular activities, music, drama, art and trips with the co-curricular component of SOCS. SOCS co-curricular provides registration and attendance reporting via mobile or desktop devices. Participation reporting is made simple with built in clash management and integration with SOCS sport.

[Slides 15 - 23](#)

SOCS Calendar

SOCS Calendar is the beating heart of the school allowing everyone to see what's on, where and when! SOCS calendar offers total integration with SOCS sport and SOCS co-curricular.

[Slides 24 - 29](#)

SOCS Overview

SOCS Music

Music is designed to allow school music departments to manage instrumental lessons and the wider peripatetic programme with ease.

[Slides 30 - 31](#)

SOCS Tuition

SOCS Tuition manages one-to-one sessions, such as performing arts, individual sport coaching and one-to-one academic provision. SOCS Tuition helps to organise fixed and rotating lessons, avoid clashes and assist with inventory management, billing, registration and reporting.

[Slides 32 - 33](#)

SOCS Competitions

The SOCS Competitions module supports the setup and running of your competition. It makes the administration and communication of these complex events simple.

[Slides 34 - 35](#)

SOCS Sport

Manage and communicate the sports programme to students, parents and staff.

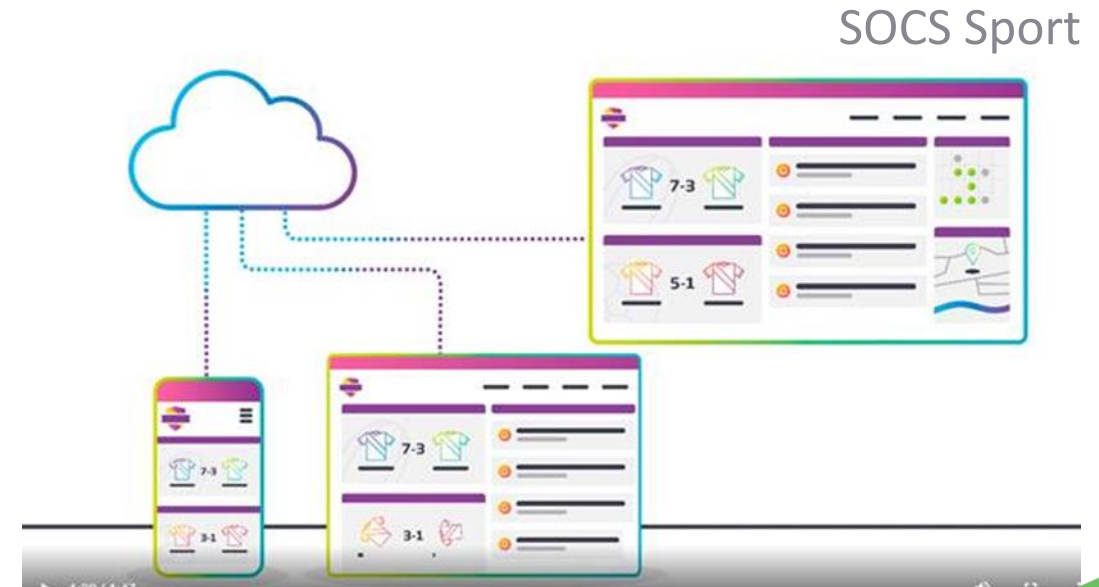

SOCS sport helps us stay on top as well as keeping our staff, players and parents informed.

David Faulkner
Director of Sport, Millfield School

Overview

SOCS Sport helps schools manage and communicate their sports programme. 85% of HMC schools and hundreds of schools globally use the system.

- ★ Fixtures
- ★ Team Sheets
Clash management and pupil participation tracking
- ★ Results
- ★ Match Reports
- ★ Training Schedule
- ★ Photographs
- ★ Video
- ★ Off-games Management

Overview

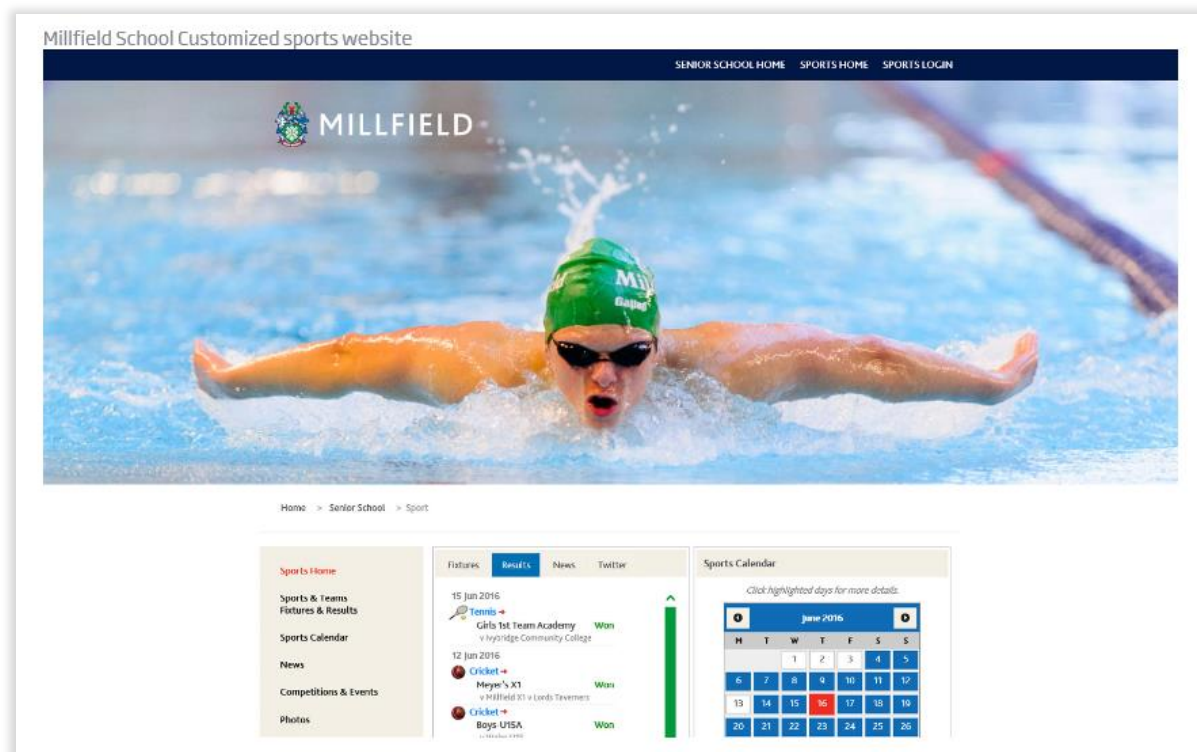

This information is uploaded into SOCS once and can then be communicated to parents via several communication channels including a sports website, web app, live iCalendar feeds, digital signage screens (the SOCS Big Screen module) and social media integration.

Brand your Sports Website

The SOCS Website Editor allows you to do the following from your SOCS Control Panel:

- ★ Add your school's primary colours
- ★ Update the logo/crest
- ★ Adjust the menu position
- ★ Remove menu items
- ★ Add Twitter
- ★ Add or update the slideshow of photographs

Alternatively we can fully customise your SOCS website to reflect the main school website. For more information contact:

sales@misocs.com

Team Sheet Builder

Never type a team sheet ever again!

With Team Sheet Builder you get another time saving tool to help produce and publish team sheets and weekly sports programmes. The sports programme can also synchronize with your personal calendar on mobile or desktop devices (using iCal).

Additional features in Team Sheet Builder include the entire sports programme on one web page. “Drag and drop” of players from team to team is also provided in the Multi-Team Sheet editor. All changes are instantly available in your sports website, Big Screens and parents calendars on iPhones, desktops or iPad.

SOCS sport also tracks pupil participation allowing ease of reporting at the end of the term/year. Every pupil has a record of every team they have represented and each fixture they played in. Your pupil roll is uploaded into SOCS from your School MIS, such as iSAMS, SIMS, PASS and SchoolBase. If your school uses iSAMS then SOCS can be setup to synchronise directly.

Team Sheet Builder provides access to:

✓ Sports Programme

Which provides an overview of what's on over any selected date range and everything is editable on a single web page to provide complete control of your sports programme.

✓ iCalendar Synchronisation

Which integrates the SOCS calendar with your personal calendar application e.g. Outlook and iCal.

✓ Pupil Participation Statistics

Which is useful for end-of-year reports.

✓ Today's Teams

Which can be synchronised with the Big Screen module to auto-scroll on large screens in sports halls and reception areas.

✓ Sport, Team & Individual Performance Reports

Which is useful for end-of-year reporting.

✓ SOCS Sport Security Module (Optional)

Provides password protection to your team sheets.

Team Training Planner

Plan and keep track of your training sessions

Team Training Planner provides another powerful tool to help plan and schedule training sessions as well as keeping players who should attend informed about timings and locations.

With Team Training Planner you no longer have to manually create Word or other document formats to re-key every time.

Training sessions can be setup quickly and made to recur. Using Team Training Planner, your training sessions will appear in the sports calendar helping to remind attendees. Single training sessions can also be setup to cater for ad hoc sessions in the event of match cancellations.

To use Team Training Planner, the school must have SOCS sport site license and the Team Sheet Builder module.

Big Screen

Designed for large screen display in sports halls, corridors and reception areas. Use the Big Screen Editor to create different views based on team level or teams, ideal for different areas around the school.

Big Screen

Includes features such as the upcoming sports programme, today's teams and latest results and news. The Big Screen display can be setup to change automatically depending on the day of the week:

Mobile

SOCS Sport

SOCS Sport also has a mobile version, which is great for adding results on a Smartphone or Tablet directly from the touchline (if you have internet access on the playing fields). SOCS mobile also allows you to take Co-Curricular activity registers if the school has SOCS co-curricular.

You are able to score the game in real time should you want to, which is great for parents who couldn't make the big match as it allows them to follow the match online. It includes the SOCS sport cricket scoring module, which allows you to score match ball-by-ball and has wagon wheel functionality.

SOCS Co-Curricular

Manage your co-curricular programme from initial student sign up through to end of year reporting.

SOCS Co-curricular lets me see the big picture and is helping keep track of participation and attendance.

Al Macewen
Deputy Head (Co-Curricular), Bradfield

Overview

SOCS Co-curricular transforms the way schools manage their co-curricular programme.

SOCS Co-curricular offers:

- ★ The user friendly SOCS control panel
- ★ SOCS Co-curricular calendar
- ★ Easy termly co-curricular club setup
- ★ Online activity set-up for pupils and parents
- ★ Pupil registration
- ★ Pupil attendance reports
- ★ View pupils who are oversubscribed and undersubscribed to clubs
- ★ Pupil weekly calendar view
- ★ Daily co-curricular programme
- ★ Termly pupil participation overview
- ★ Big Screen

Calendar

SOCS Co-Curricular

The main calendar page shows the co-curricular programme for the day. Users can complete attendance registers, view event details and view timetables for individual activity clubs.

When a member of staff logs in they have the ability to view this calendar showing only the events which they are involved in.

Termly Club Setup

The screenshot displays the SOCS CMS interface for setting up co-curricular clubs. The main heading is "Michaelmas 2015/16 Co-Curricular Activity List" with a toggle switch for "Michaelmas 2015/16 Activities". Below this, there are tabs for "Calendar", "Active Activities", "Event Programme", and "Weekly Overview". A sidebar on the left contains navigation options like "SOCS Home", "Calendar", "Active Activities", "Event Programme", "Weekly Overview", "Reports", "Pupil & Staff Search", "Houses", "Forms", "Staff", "SOCS Co-Curricular Users", "Activities - Master List", "Pupil Unavailability", "Big Screen Editor", and "Log Out".

The main content area shows a summary of club counts and a detailed table of clubs. The summary includes:

- Academic Co-Curricular: 15 Clubs
- Activities (Tuesday): 11 Clubs
- Activities (Wednesday 11-13): 30 Clubs
- Activities (Wednesday 9-10): 18 Clubs
- After School Clubs: 11 Clubs

The table below lists 11 clubs with their respective details:

Club/Society/Activity	Min Pupils	Max Pupils	Year Group	Gender	Cost	1st Come 1st Served	Invite Only	Parental Auth	Record Dismissal	Staff	# Events	# Pupils	Editors
1 Computing Club: Programming	-	-	All	M/F						VK	12	0	[Edit] [Add] [Delete]
2 Cycling (MTB Advanced)	-	-	All	M/F						FJA MHAS	12	0	[Edit] [Add] [Delete]
3 Dressmaking	-	-	All	M/F						DM	12	0	[Edit] [Add] [Delete]
4 GS Y7-9 Cookery Club	-	-	All	M/F						EIS	5	0	[Edit] [Add] [Delete]
5 Junior Art Club	-	-	All	M/F						MLV	33	0	[Edit] [Add] [Delete]
6 Photoshop skills	-	-	All	M/F						FMP	33	0	[Edit] [Add] [Delete]
7 Senior School Chess Club	-	-	All	M/F						MJT	13	0	[Edit] [Add] [Delete]
8 Y12-13 Life Drawing	-	-	All	M/F						FJA	33	0	[Edit] [Add] [Delete]
9 Y7-8 Computing Club: Animation	-	-	All	M/F						VK	12	0	[Edit] [Add] [Delete]
10 Y7-8 Science Club	-	-	All	M/F						LMB RB	33	0	[Edit] [Add] [Delete]
11 Y7-9 Man Food	-	-	All	M/F						JACW	5	0	[Edit] [Add] [Delete]

Co-curricular clubs can be setup easily using the SOCS CMS for any school term.

Pupils can be added to each club along with the staff members responsible for running the club.

Events can be scheduled for any club to recur (e.g. daily, weekly etc) and you can also specify:

- ★ Who is able to sign up, for example if it's gender or age group specific
- ★ If there is a cost to join the club
- ★ Minimum and maximum number of pupils allowed

Pupil Registration

Swimming Club Tues AM Register
 Check the pupils who attended this event and then click the save button.

Title	Swimming Club Tues AM
Date	17 Nov 15
Timings	07:00-08:00
Location	Swimming Pool
Notes	
Staff	<ul style="list-style-type: none"> • FT • LIG • MAB • MMK • MJA • RM

Activity Club Attendance Register

Captain:

Activity Leader:

Pupils left un-marked will not have attendance recorded for this event.

Pupil	Unauthorised Absence	Authorised Absence	Attended
	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Ethan Abai Haddon (E)	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Luke Abai Haddon (L)	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Marwan Abdel-Razek (M)	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
 Gorrav Bains (GS)	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Adam Bambroffe (AC)	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Nathan Bambroffe (NJ)	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Nicolas Baxter-Brand (NH)	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Eugene Bevilacqua (EK)	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Rudi Bruijn-Yard (RM)	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Jon Cermak (JP)	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

By clicking the "clash icon" you can see more details about the clash.

SOCS Co-curricular allows staff to quickly and easily register attendance and highlights where there is a clash. For instance the pupils "clash icon" allows you to spot pupils who have not attended an activity club because they are signed up to be somewhere else.

Pupil registration can also be completed on a mobile device using SOCS Mobile.

The co-curricular timetable for the day can be displayed on Big Screens located around the school.

Posters (left side) and images (bottom right) can also be uploaded via the socs CMS Big Screen editor.

The daily timetable (top right) is automatically populated from events already published using the SOCS CMS.

SOCS Calendar

SOCS calendar can be used as a standalone module or is the glue that knits all the SOCS modules together.

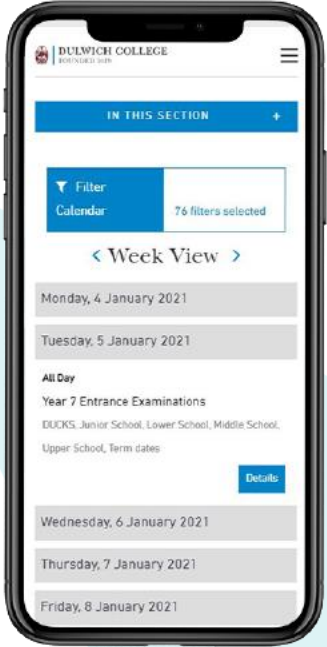

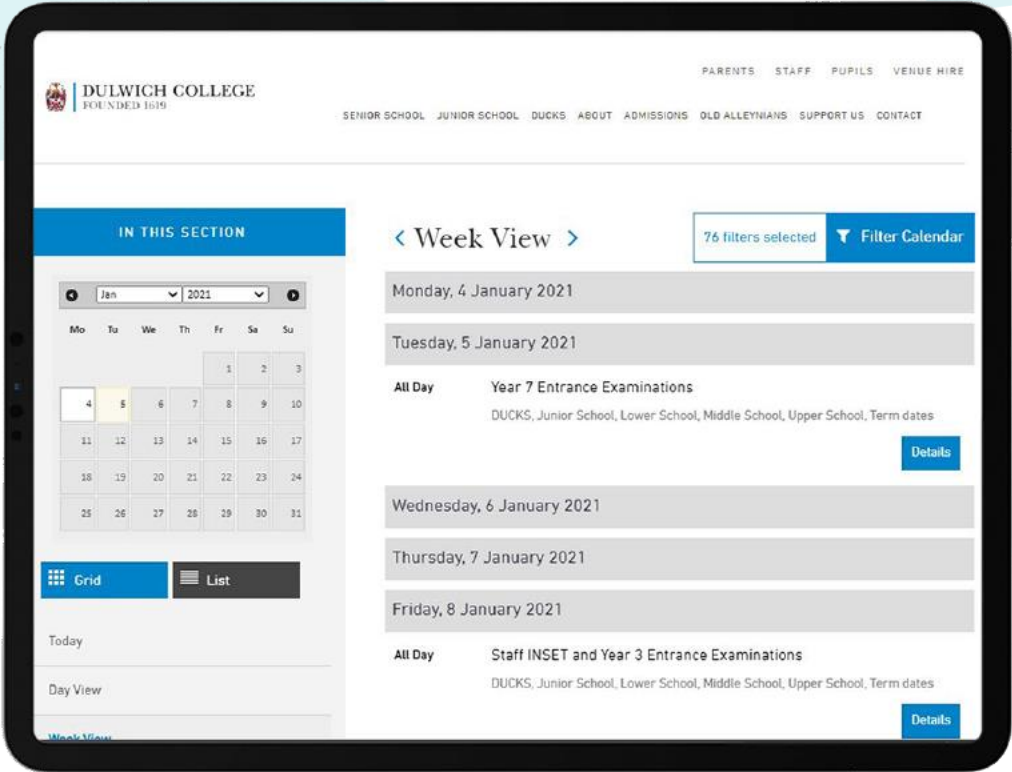

SOCS Calendar helps us to be a better organised school, with clearer communication both internally and with the wider community.

Alistair Dunn
Deputy Head, Scholarship & Extension, Wellington College

The beating heart of your school

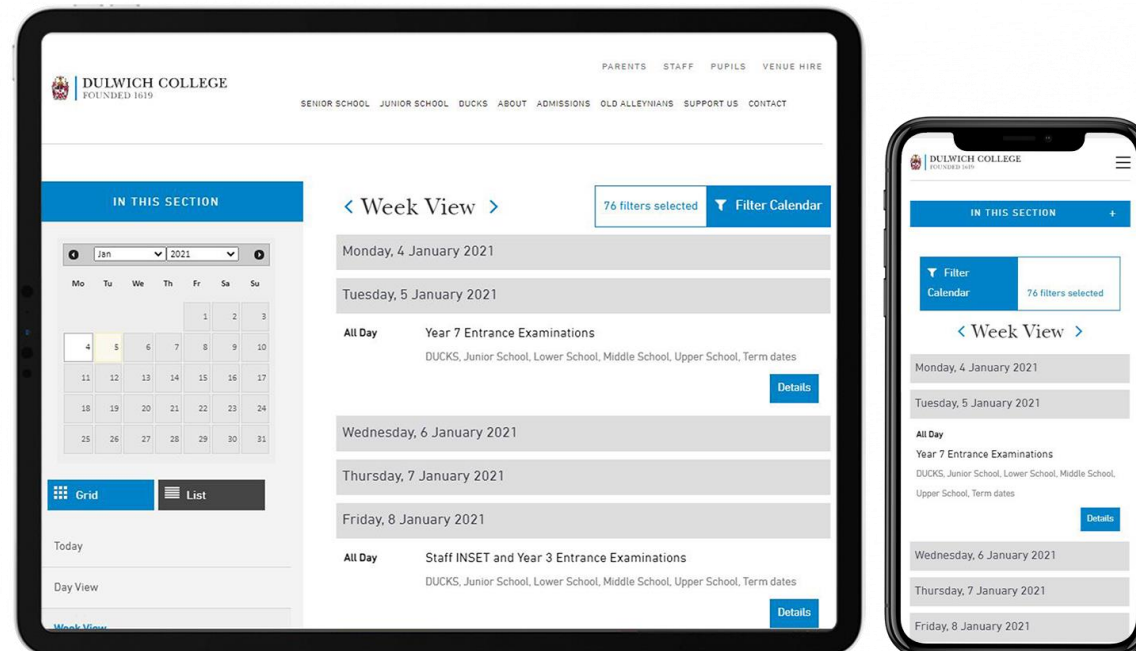

Website

The SOCS Calendar website is the place where everyone can find out what's on, where and when.

SOCS Calendar comes complete with a domain name, which can be used stand alone or linked directly into your school's main website.

SOCS Calendar website can also be customised to align with the style and branding of your school's website, similar to the SOCS sport customised website.

- ★ Manage the status of events in one place, from approval to publishing to the public facing calendar
- ★ See who has added events to the calendar and when
- ★ Roll over annual events to make yearly and termly setup simple
- ★ Export the calendar in various formats – A useful tool to send to the school’s print company

SOCS Calendar: Annual Setup

The Annual Calendar Setup allows you to quickly copy events one month at a time. This process is designed to speed up the creation of termly/annual calendars where the same events occur each term/year, but not in a recurring pattern (not a recurring event).

The Annual Calendar Setup is only available to calendar users who have “Publisher” access.

Brand your Calendar Website

The SOCS Website Editor allows you to do the following from your SOCS control panel:

- ★ Add your school's primary colours
- ★ Update the logo/crest
- ★ Adjust the menu position
- ★ Add or update the slideshow of photographs

Alternatively we can fully customise your SOCS website to reflect the main school website.

For more information contact:

sales@misocs.com

SOCS Music

SOCS Music manages one-to-one music sessions and helps to organize fixed and rotating lessons, avoid clashes and assist with inventory management, billing, registration and reporting.

SOCS Music has streamlined our music lesson planning by giving us accurate real-time planning capability for pupils and staff. With hundreds of music lessons each week this is a must have for our busy department.

David Eno
Deputy Director of Music, Dulwich College

Music Features

Scheduling

Fixed or rotating music lessons, ensembles and exams. Protected time blocks.

Mobile Registration

Mobile registration for music lessons and ensembles.

Conflict Resolution

Music lesson conflict resolution across the academic, co-curricular and sports timetables.

Inventory

Musical inventory allows you to manage your instruments on loan and for hire.

Communication

Communication of the music programme to the wider school community through the dedicated SOCS WebApp.

Reports

- ★ Music reports for billing, grades, participation and more.
- ★ SOCS music integrates with all SOCS modules (SOCS Sport, SOCS Co-Curricular & SOCS calendar) used by over 900 schools in the UK and abroad.

SOCS Music

(Placeholder text) Lorem ipsum dolor sit amet, consectetur adipiscing elit, sed diam nonummy nibh euismod tincidunt ut laoreet dolore magna aliquam erat volutpat.

SOCS Tuition

SOCS Tuition manages one-to-one sessions, such as performing arts, individual sport coaching and one-to-one academic provision.

Tuition Features

Scheduling

Fixed or rotating lessons, small groups and testing.

Mobile Registration

Mobile registration for lessons.

Conflict Resolution

Lesson conflict resolution across the academic, co-curricular and sport timetables.

Reports

- ★ Performing arts reports for billing, grades, participation and more.
- ★ SOCS Tuition integrates with all SOCS modules (SOCS Sport, SOCS Co-curricular and SOCS Calendar) used by over 900 schools in the UK and abroad.

Communication

Communication of the music programme to the wider school community through the dedicated SOCS WebApp.

SOCS Competition

SOCS Competitions supports competitors of all sizes, from those involving hundreds of teams to competitions involving only a handful.

As the world largest schools rugby tournament with over 900 teams taking part, we need the ability to communicate changes, manage thousands of results and keep spectators informed in real time. SOCS competitions makes this a simple process and we love the help and support we receive from the SOCS team.

Andy Higgins

Tournament Director, Rossllyn Park National School Sevens

Competition Microsites

If your school uses SOCS and you organize a competition involving other schools, such as your annual basketball, netball or rugby tournament, or you organize a County Cup or Area League, and providing the sport being played is a team sport and the competition is a standard format (leagues, knockouts, league leading to knockout) then we can setup a Competition Microsite (POA).

You can then manage the content in the Competition Microsite using the Competition Builder module, directly from your SOCS control panel.

Competition Microsites are automatically linked to the dedicated sports website of any participating school providing the school uses SOCS.

We setup your Competition Microsite and upload the draw and playing schedule. We then provide you with access to the Competition Builder module. We have setup hundreds of Competition Microsites for various sports and age levels.

Visit for a full list of the competitions support by SOCS: www.schoolssports.com/Competitions.aspx
